

Code:

```
\setupcaption [figure][numberstopper={. ábra.}]
\setuplabeltext [figure={}]
```

Result:

Reference to figure 1 (figure 1. ábra.)

Some figure

1. ábra. This is the caption

Code:

```
\setupcaption [figure][suffix={. ábra},numberstopper={.}]
\setuplabeltext [figure={}]
```

Result:

Reference to figure 2 (figure 2.)

Another figure

2.. ábra This is the caption

The caption should be: ``1. ábra. This is the caption''

The reference should be: ``(1. ábra)'' – NO period after ``ábra'', without the word ``figure''.
